

Toolkit Contents

Washing Your Hands Poster

This easy-to-follow poster can be used to start conversations with children and young people about hand washing and personal hygiene. It can be placed next to a sink to show them the correct procedure for washing their hands.

Brushing Your Teeth

Changes to the EYFS Framework, for September 2021, include the need for settings to support good oral health. This teeth cleaning sequencing activity can be used to encourage children to think about cleaning their teeth.

Visual Timetable

Support structure, routine and reduce anxiety with this Visual Timetable, designed for use at the front of the classroom to detail a sequence of activities.

Labels

Support independence in the classroom with symbolised Tray Labels that help emergent readers find the resources required for activities.

All About Me Activity

An ideal icebreaker for the start of the new school year. This activity starts discussions and allows children to get to know one another.

How Am I Feeling?

This set of symbol flashcards help give children and young people the words they need to communicate how they are feeling. Use the cards as a poster or laminate the individual cards and attach them to a key-chain or lanyard to create a handy portable visual support.

Managing Emotions

Managing your emotions can be difficult. This chart helps children and young people acknowledge how they are feeling and suggests appropriate ways they can help manage these emotions.

Toolkit Contents

Reward Chart

Getting ready for any new term can be challenging for many children and young people. Setting targets and rewards for achieving them is a great way of motivating and rewarding positive behaviour.

Core Vocab Board

A Core Vocabulary board is a set of highly useful single words that can be used alone or in combination to communicate for a range of purposes on countless topics with a wide variety of communication partners. Use the chart included in this set to communicate with your child about the changes that are due to happen over the coming weeks.

High Frequency Words

High Frequency Words (or Phonics Tricky Words), can be difficult for beginner readers to read as they are yet to come across some of the spellings and graphemes contained in them. This symbolised High Frequency Word mat will help your pupils to achieve the objectives of the DFE Letters and Sounds program.

Medium Frequency Words

Medium Frequency Words (or Phonics Tricky Words), can be difficult for emergent readers to read as they are yet to come across some of the spellings and graphemes contained in them. This symbolised Medium Frequency Word mat will help your pupils to achieve the objectives of the DFE Letters and Sounds program.

Seasons Wheel

This symbol-supported seasons wheel can be used to help children identify which months of the year belong to which season.

Maths Mat

This handy symbol supported Maths Mat features a helpful number square, number-line, common shapes and times tables up to 12.

InPrint³

Design personalised symbol materials to print

This resource pack was created using InPrint 3.

With access to over 20,000 Widgit Symbols, 100s of editable templates and a range of powerful design features, InPrint 3 customers can edit and amend all ready made resources, customise symbols and content, as well as create their own visual supports.

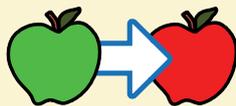

Change Skin Tone

Change the skin tones of any symbol to make your materials more personal.

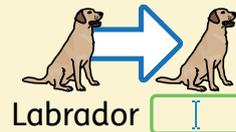

Add Your Own Pictures

Personalise your materials by adding images from your computer or the web.

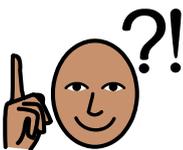

Change Symbol Colour

Tweak the colour of any Widgit Symbol to make your content more relevant.

Change Symbol Text

Edit the text beneath a symbol to make your content more specific or personal.

You have downloaded a PDF of the resources.

Would you like to edit these PDF Resources?

If you subscribe to InPrint 3 (IP3), and download the IP3 version of the resources, you can edit or tailor the content to meet your needs.
